KEEP OUT OF CURBSIDE RECYCLING

* Starred items can be recycled elsewhere.

To assure pick-up, please have recycling out by 7 a.m. (clearly visible & accessible). Recyclables prepared improperly will be left or taken as trash (and charged accordingly when necessary).

Cardboard needs to be broken down & cut into 2' sections, placed in container. We strongly recommend using discretion on windy days, as we are not responsible for lost bins or wind-strewn recyclables.
